Dear Kay,

I never thought about this time last year, I would be writing in your annual. But I'm glad I am. I think you are one of the sweetest persons I know, and I'm glad to be your friend. I think that little "miss-understanding" we had made us have more respect for each other. I think you are a pretty girl with loads of personality. I can say honestly, "when Kay's around there's bound to be fun." Why? Because your crazy. Absolutely nutty. Stay as you are though because you are well liked by all.

Love you,
Sylvia
(Junior)

P.S. Lets have another fight, just for kicks. Ha. Dig this writing.

Dear Kay
you are a
very crazy
person to know.
Lots of luck
in the future

we can be friends
always

Best wishes,

Chapel Hill School

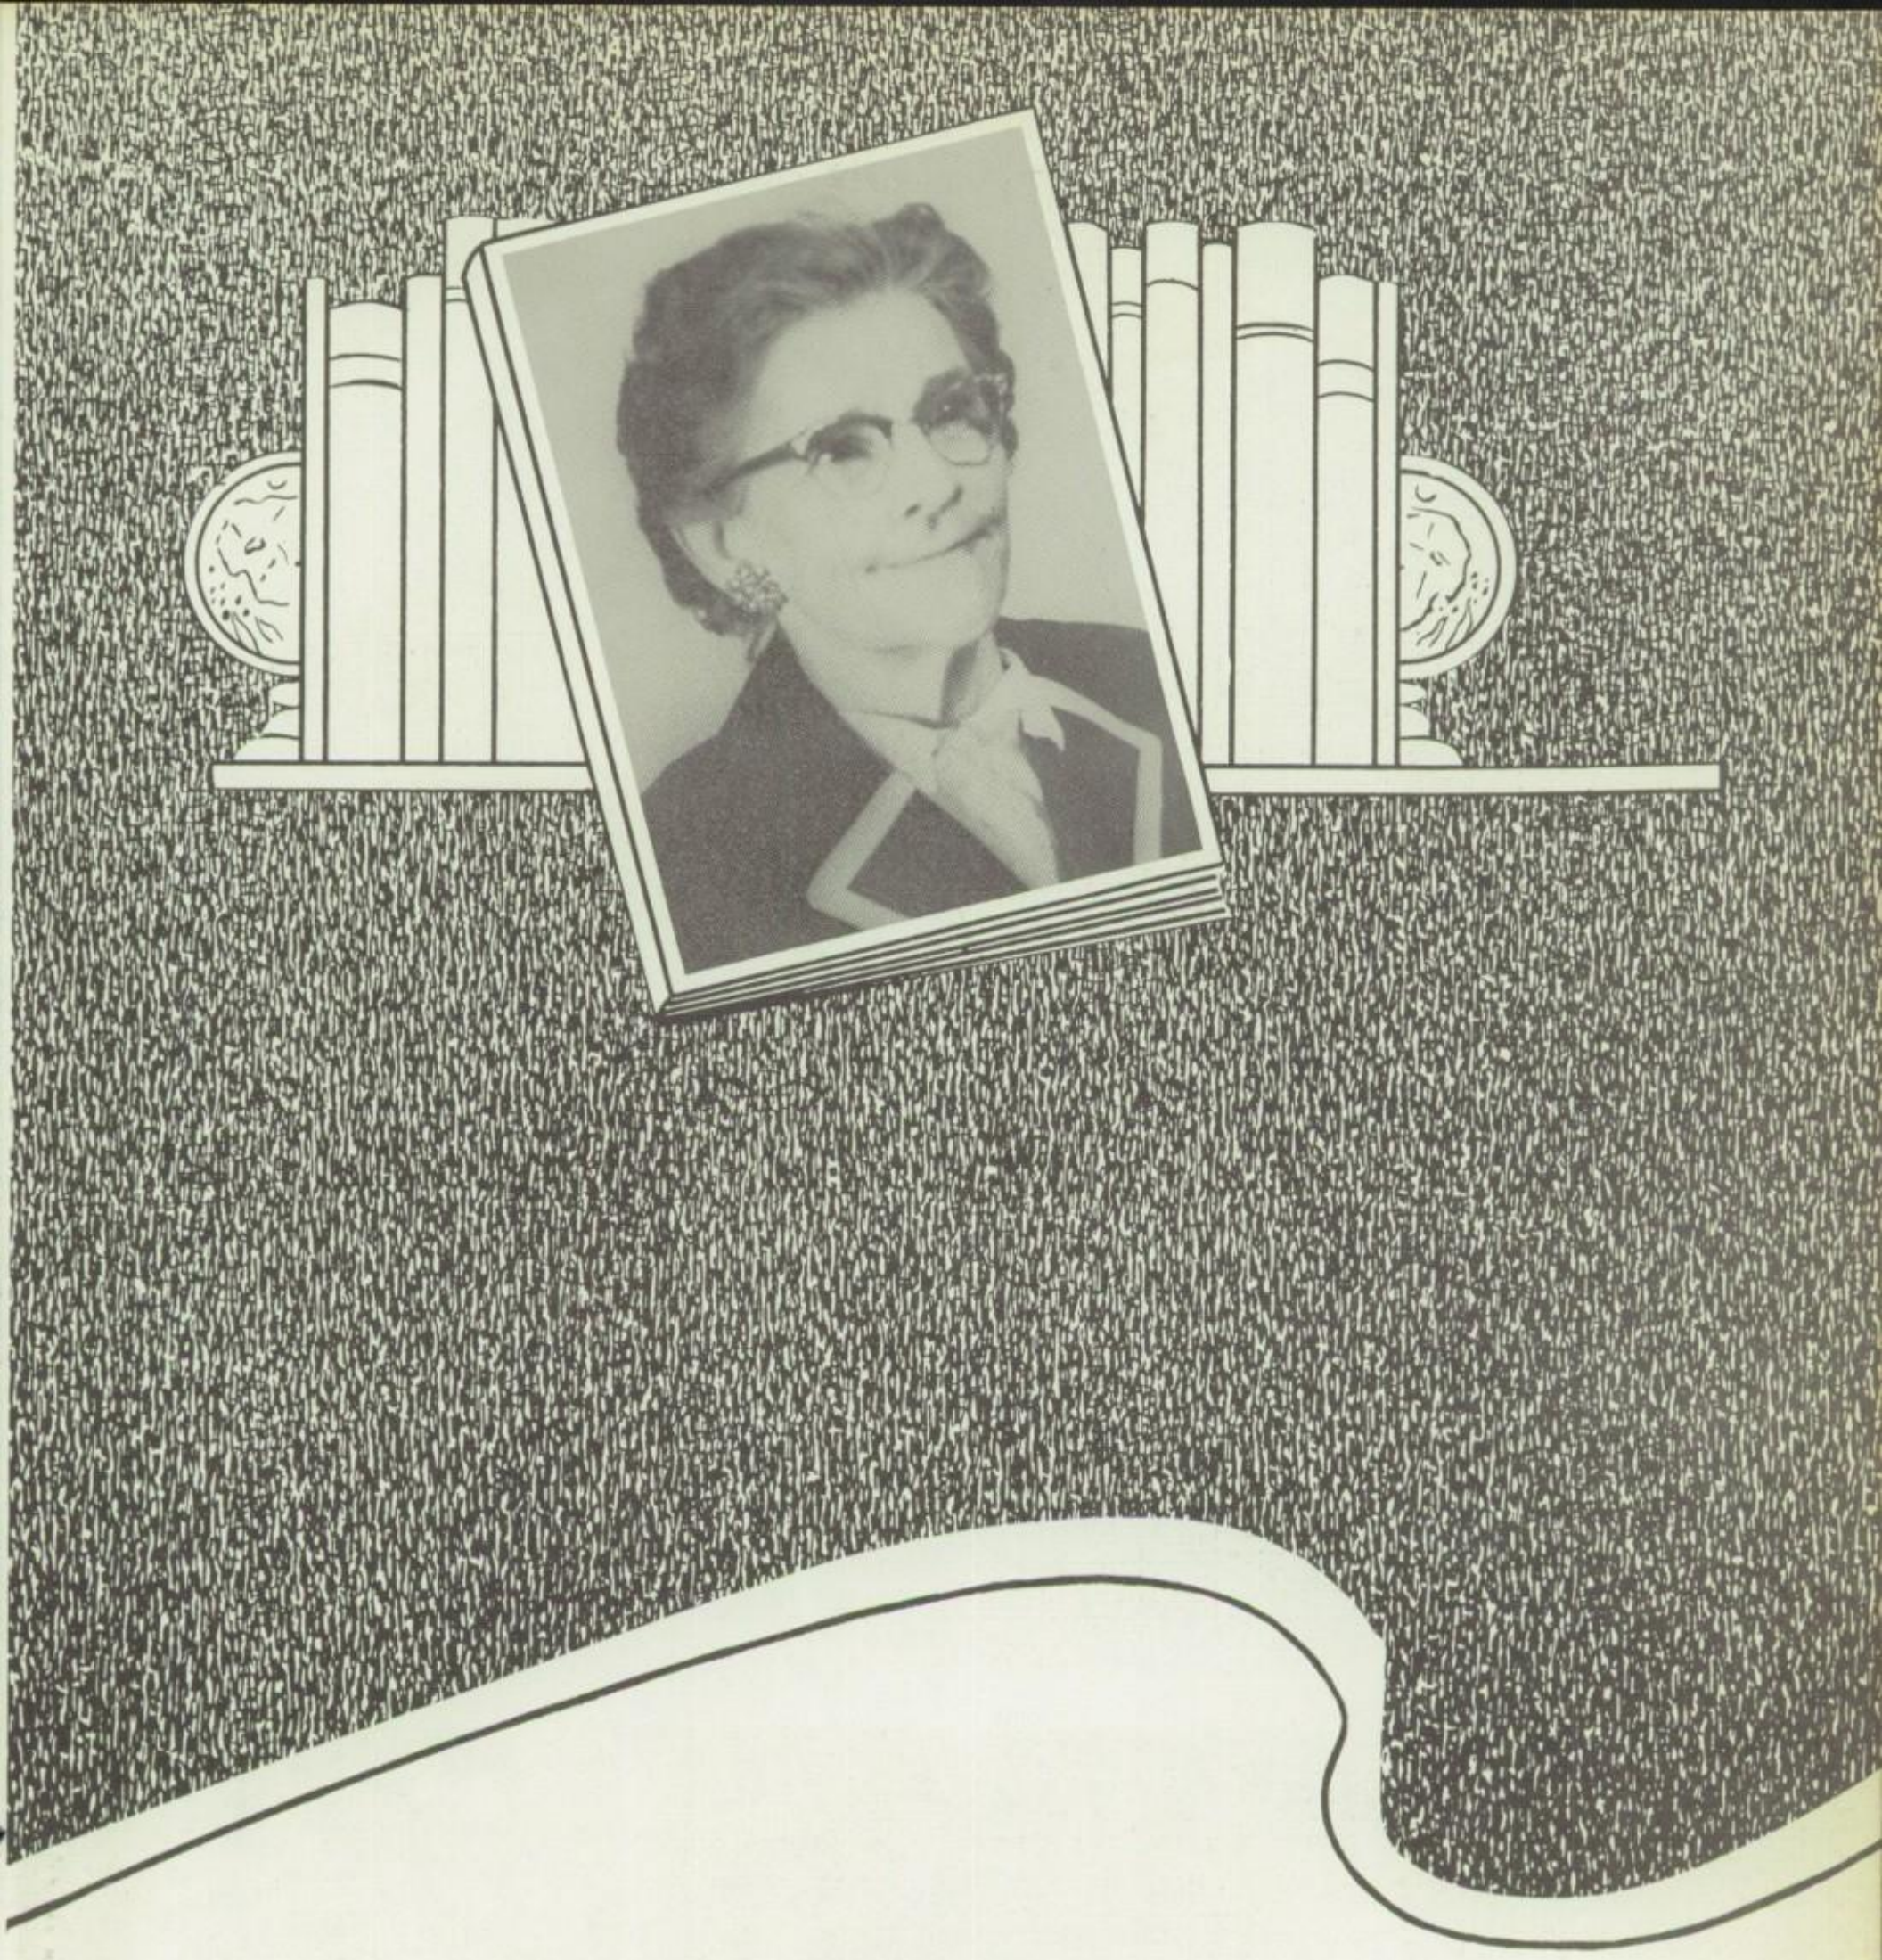
Foreword

Within these pages we have tried to record many memorable events that have happened to us during our journey through this year.

We hope that, not only at the present but in the years to come, this book will be a treasured keepsake and that it will recall many happy occasions. May you remember and cherish the challenges, accomplishments, and above all, the friends at Chapel Hill School.

We, the BULLDOG STAFF, give to you, students, faculty, and friends, the 1959 BULLDOG.

GENE ANN JONES
Editor



The Annual Staff humbly dedicates the 1959 BULLDOG YEARBOOK to Mrs. Lydia Henderson. Although 63 years young and retired from the profession of teaching, her inspiration still continues to encourage students, teachers, and friends.

SUPERINTENDENT'S MESSAGE

In this changing time much is seen and heard about things of little value. Nothing given and nothing retained just passing the time. We would do well to heed the words of Thomas Carlyle:

"Knowledge conquered by labor becomes a possession, a property entirely our own. A greater vividness and permanency of impression is secured, and facts thus acquired become registered in the mind in a way that mere imparted information can never produce."

Dear Kay,

I'll not be mussy. I'll just tell the truth. We've had so much fun in school and everything. No matter what happens to us when we get out of school we'll still be very close. I think a lot of you and I even might love you a little. Ha I wish you all the luck in the world because you'll need it, Ha no seriously I do wish you luck and happiness in the future.
